Word of the Month - Acceptance

Dear Parents and Carers,

The Carfield Election was very interesting and many children cast their vote in Key Stage 2 and gave thumbs up in Key Stage 1! The result of our election was a Coalition with the Green Party taking 44% of the vote and sharing power with Labour on 28%. The Conservatives had 5% and UKIP had 6%. Unfortunately 10% of the ballot papers were spoiled with multiple crosses!

SATS Week

Well done to all of the Y6 team, pupils and staff for their efforts and determination to prepare for the assessments for the end of Key Stage 2. The results will be issued to school in early July and we will send them home confidentially with the school report on 10th July.

Mrs. Gabreau

Mrs. Gabreau has covered Mrs. Smith's maternity leave with dedication and enthusiasm. We would like to thank her on behalf of the Y1 children and parents for her hard work. We will be seeing Mrs. Gabreau as she will still cover absence and teacher release time at Carfield. Her Class Assembly will be an abiding memory. It was excellent!

Y2KW Assembly: Thank you Mrs. Wells and her class for a super assembly on the British Isles. Their artwork on landmarks was very impressive. The Y5 and Reception class all enjoyed it and the dancing for Wake Up and Shake up was very good!

Roman Day Y3

The Y3 children had a thunderous good time marauding as Romans and Britons on Thursday 7th May. " Roman Tours" were booked and gave the children a great day. The children and staff dressed up and learned about life in Briton under Roman occupation.

At the disco we aim to enjoy music with the children and help them experience a social setting. There are interactive dances, food, drinks and snacks on sale. Temporary tattoos and Face Painting happening and a raffle. The fundraising group of parents (Carfield Friends) organise this and are always glad of helping hands to ensure events are a success. Please get in touch if you can offer any amount of time/help prior, during or after the disco clearing up! Leave your details at the office or text **07851 263495/ 07951 761966** Thanks very much.

Walled Garden:

The Y3 and Y4 classes have been fortunate to receive classes on conservation, germination and how to nurture plants as part of their geography/science curriculum. They have each enjoyed a series of afternoons at Meersbrook Park Walled Garden. We hope to continue this partnership next year from February to July. It is a great benefit to the children. We have also complimented this with the same year groups taking responsibility for the chickens and the wildlife garden. The other classes are welcome to visit both the chickens and the garden whenever they can.
