15th February 2018

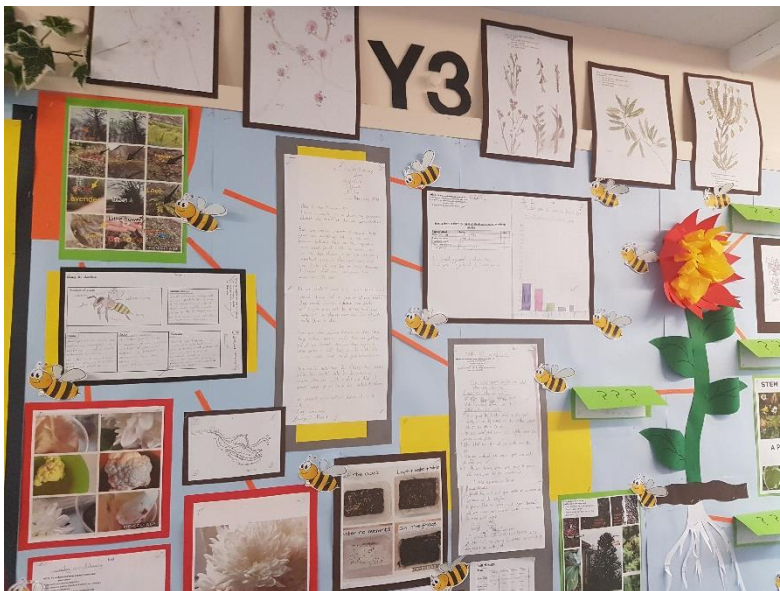

Value of the Month - Friendship

STEM Week 2018

The children and staff enjoyed our Science Technology Engineering and Maths week. Mr. Crabtree of Y5 Kingfishers, organised Science Boffins to come into each year group and deliver a workshop. The rest of the week was dedicated to States of Matter or investigating plants. The children have produced some beautiful work and were excited by the week. Hopefully we have some budding engineers, scientists and mathematicians as a result.

Town Hall Debate

Miss Kelly of Y4 Badgers, is taking a group of Y6 pupils to the Town Hall on Friday 16th March to debate on current issues affecting young people in Sheffield and Britain today. The children are debating with other school children across the city. We hope to be included in more activities of this kind.

Dates for Your Diary 2018

Class Assemblies begin at 9.15 am in the Upper hall

16/3/18 Crocodiles

23/3/18 Leopards

Sat 24th March 2018, 12:30 - 15:00
Local and schools event Shire Brook Valley Orienteering event.

School Council trip to Houses of Parliament Friday 23rd March 2018

Training Day 29th March 2018

Last Day of Term is Wednesday 28th March 2018.

There are great plans for our outdoor spaces and we are looking currently at planning permission to provide more green, natural and calming places for our children to play in. More information to follow.

Miss Shaw and Mr Thompson lead English across the school. They are keen for a permanent reading wigwam to be constructed so that all children can have scheduled reading time in a cosy environment that celebrates books.

A running track around the top building is part of our development so that we can run a mile with the children when we have the time. We want to get much more active during the school day.

We are planning on mosaic art works to be placed around the school in celebration of Mrs. Matthews. We would also like a story chair in the garden area as she enjoyed telling stories.

Carfield Friends would like to thank everyone who kindly donated cakes and their time and helped make the Mothers Day Plant Sale a success, we don't have the final number yet but we raised around £600 after expenses which is amazing and we couldn't have done it without you! Our next event is the FUN RUN on the 25th March, we will once again need your help to make it a success! All proceeds as always go towards enriching all of our children's school experience so with that in mind, please consider donating some bakes or your time if you can, or just come along and support us, its a lovely family oriented event and we always have a giggle!

Lastly, our facebook page is gathering momentum and fast becoming a great way to communicate with other parents so please consider joining us at www.facebook.com/groups/carfieldfriends/

The Y5 children had a great afternoon with Josh Shaw from Yorkshire County Cricket club when he came to visit the school. The children asked lots of questions and Josh kindly answered them all.

A big well done to the cheerleading squad who competed at the Sheffield School Games competition. They finished 8th in Sheffield.

Well done to the Y4 boys football team who took part in the Points Football festival. They finished 2nd in their group and 8th overall.

Next up - Y5 football at Anns Grove - 20th March
 Y1 athletics at Ponds Forge - 28th March
 Y3/4 hot shots basketball at Goal - 16th April
 Y1 athletics at the EIS - 24th April

Y3/4 athletics at the EIS - 25th April

Sports Relief – Friday 23rd March Next week for Sports Relief we will be doing a daily run of 15 minutes to see which class can run the furthest. This will take place in either the bottom yard or around the top building as we know that 10 laps of each is a mile. We will add the total number of laps for each class together to see how far they got. Please give your child a donation for their effort and the children can bring it on Friday for the charity. Many thanks.
