Value of the Month - Understanding

## Asher's Fund Raising Success!

On 31<sup>st</sup> January, Asher successfully completed his one mile challenge at Ponds Forge International Sports Centre. With total determination he completed his challenge in 1 hour and 45 minutes doing breaststroke!

'Asher's One Mile Challenge' originally had a fund raising target for The Children's Hospital Charity of £250.00, which at the time we thought was quite a target, but with support this was soon reached. So Asher's target was raised to £400.00 and with everyone's amazing donations this was then smashed! So this time we raised it to £700.00 never dreaming that this would actually be reached but with all the amazing generosity and fabulous support this was blown out of the water.

Asher's final total is... drum roll...£844.00 and with gift aid added this comes to a whopping total of £1,008.75!

It's an understatement to say that Asher is totally over the moon. He couldn't believe that he had actually done it!

He was even interviewed on Sheffield Live TV before and after the attempt, which was broadcasted on TV!

He would like to thank everyone who donated.

Well done Asher, you are a special Carfielder!

#### **Y5/6 Music Concert – 7-9 pm St. Paul's Church Norton Lees Lane**

We are fortunate to have secured St. Paul's Church once again for our annual Y5/6 Music Celebration. Letters have gone out to any musician in the year group who would like to perform. Please e mail Ms. Hudson on the [enquiries@carfield.sheffield.sch.uk](mailto:enquiries@carfield.sheffield.sch.uk) if you have not received a letter and would like to perform.

More details to follow.

#### **Parking and Safety**

Please may we remind parents to be considerate to one another during pick up and drop off times. The Close is not suitable for traffic and it is not safe for the children if cars are turning as children are crossing.

It does frustrate our neighbours if cars are parked over drive ways. Our Governor James Norton has set up a facebook page dedicated to problem solving this concern and we would welcome members and ideas.
