COMMUNICATION

We have been working hard to improve communication with our families and have had some very positive feedback. Our school text and email system only sends to the first contact number for each child but we do have a way to add (a limited number of) second contacts for split parents, grandparents or childminders. If you think it is essential to add a second contact for your child, please contact the office and we will add them to the text/email list. Thank you.

CARFIELD FRIENDS

We are excited to announce that 2 big projects we have been working on recently have now been completed. The sound absorption panels in the dining rooms and the Woodland Library. Thank you so much to those who have helped with fundraising, donated prizes, cakes etc, and given their time and effort toward these projects - we couldn't have done it without you! We are holding a special event to mark the opening of the library **THIS THURSDAY (5th March)** - everyone invited, make your way to the dining room nearest the Reception outdoor area after school. Please do not come through the school building, use the stairs by the Y2 modular. There will be refreshments available (baked donations to the office on Thursday morning please), free craft activities and an opportunity to meet Andrea Chatten (author of 'The Blinks'). Groups will also be able to visit the library and see it's transformation. We hope you can join us. In light of this event, we will not be holding a further bake sale on 20th March as previously advertised. Finally, the deadline for purchasing portrait tea-towels has been extended to Wed 4th (order form emailed on 25th Feb or available at office). Thank you again for your ongoing support.

REMINDER

No adults should go in the children's toilets. If you need to accompany a younger child to the toilet, please use the disabled toilet. Thank you.

WHAT'S GOING ON IN SCHOOL?

Our number of Twitter followers is growing by the week. Each year group has their own page (@NurseryCarfield, @YRCarfield, @Y1Carfield etc). There is also a sports account (@CarfieldSports).

These accounts are a great way to keep up to date with events happening in school and see photos of day-to-day learning alongside those from themed events, trips and celebrations. As these are private accounts, you will need to submit a request to follow them. Please let the teacher know if it is not obvious who you are from your Twitter name and they can approve your request. Thank you.
