A MESSAGE FROM MS MOHAMMED

I hope that you all are keeping fit and healthy and are continuing to complete your home learning activities provided by your teachers. Your teachers are making sure that you have Maths, English, and some creative lessons available for you to complete. They will acknowledge any work that you post to your class Twitter pages. Some of you may not want to share your work on the class page for others to see, so you can also contact your teachers via email (see below). You may want to send work for them to have a look at or if you are stuck with a topic and may need a bit of help, you can contact them by sending them an email to your year group email. The teachers and all the staff are really missing you and we can't wait to see you all back at school.

HOME LEARNING

Teachers are producing weekly home learning packs for each year group which will be uploaded onto the school website under 'Our Curriculum' > 'Home Learning' then select the year group. You can also access each year group's page from this link: <https://carfieldprimary.co.uk/home-learning/>

There are also regular challenges and creative task ideas being shared on our main school and individual year group Twitter pages. Anyone can follow the main school account (@CarfieldPrimary) but the rest of our accounts are private. When you click 'Follow' on a year group account, (@NurseryCarfield, @YRCarfield, @Y1Carfield, @Y2Carfield etc. or @CarfieldSports) a request will be sent for someone to approve. Please send a direct Twitter message to @CarfieldPrimary or an email to enquiries@carfield.sheffield.sch.uk telling us who you are the parent/carer of so we can approve your request. If you do not use Twitter, you can now also use email to share work or contact teachers for advice or support:

Please could we ask that you keep emails to a maximum of 1 per week and only expect a response from the teachers between 9am and 3pm. If you have any queries that are not for teachers, please contact Ms Mohammed on headofschool@carfield.sheffield.sch.uk Thank you.

CONGRATULATIONS

We are delighted to inform you that we have recently been awarded the 'Bronze Modeshift Stars' award for promoting safer, more active and sustainable travel. We would like to say a huge thank you to the parents and governors that are part of the Parking Working Group for all their work in making this happen and ensuring that the roads around our school are safer for our children. Brilliant work everyone!
