Return to School

As part of the government's roadmap to recovery we will be welcoming back children from Year 6 on **Monday 15th June**, in addition to the ongoing support for our vulnerable children and children of key workers. Please note that this is a change of date from what we previously stated. We understand the confusion this may have caused but we are guided by the advice from the public health.

Thank you to all those that completed the questionnaire, this has helped us to understand how many children we are likely to expect, which has been really useful for the planning of the phased return. We are looking forward to increasing our numbers from the 15th of June and we will be in touch, explaining what this will look like for your children in more detail over the next week.

Home Learning

Whilst we are increasing the number of children in school this term, home learning for those not in school will continue. Thank you to all those that have sent us pictures or videos, we have uploaded as many of them onto our new facebook page and our school Twitter account. If you would like to share some of your homelearning with us and our Carfield Community then send us your pictures or videos to: homelearning@carfield.sheffield.sch.uk.

Dates for Next Year

School will be closed for staff training:

Tuesday 1st September
Wednesday 3rd September
Monday 19th July 2021
Tuesday 20th July 2021
Wednesday 21st July 2021

Transition

The summer term is usually when we prepare children for the next phase in their school life and arrange transition into their new year groups. At this moment in time, we do not know what this will look like this year. However, we will be in touch once there are firm plans in place. We would like to welcome all our new starters and new families that will be joining our school in September. Follow this link to watch a video that introduces some of our staff explains what nursery life is like at Carfield.

Please note that all the remaining events this half term have now been cancelled.

Facebook

Thank you everybody that contributed to the teacher video—it really was a lovely surprise. For those that haven't seen it, it is up on our new facebook page:
