### Message for the pupils

Well done to all of you for returning to school this week with such a positive attitude. You all looked extremely smart and eager to see your friends and teachers. When I walked around the school yesterday you were all working hard and enjoying your learning. You are working beautifully in your class bubbles and are playing outside in your year group areas. I am also pleased to see that you are washing your hands regularly, sanitising and keeping your social distance when you need to.

### Drop offs and Pick Ups

**Thank you for your patience and support with our drop of and pick up system. We had to change some things rapidly as it was difficult for parents/carers to social distance and it was becoming unsafe.**

As you are aware there are two drop of and pick up times; 8.30am or 8.45am and 3.10pm or 3.30pm. Please can we ensure that we are sticking to those times please as this will help ensure the school grounds are safer and people are able to social distance better. If you have siblings with different times, you can either drop and pick up at their designated times or at the earliest and latest drop offs. Please do not leave children on their own unless there is a member of our staff there to supervise. Please can all adults use our one way system and collect siblings or other children by walking round to the correct entrance rather than using the stairs on the playgrounds. Once your child has been dropped off or collected can we ask that you leave the school grounds promptly and social distance as much as possible.

### Welcome to our new families.

It was lovely to meet our new EYFS starters this week, looking splendid in their new Carfield uniforms. The children have all had a positive week in school and we look forward to having them in for longer next week.

### Parking

**There are a number of parents still parking on the zig zag lines. This puts our children in huge danger! Unfortunately it is the same cars and it is almost daily. Can we be considerate of the dangers and park away from the school grounds .**

### Carfield Friends

**As the PTA will be restricted in their fundraising events and efforts this year, they've registered CARFIELD FRIENDS with #easyfundraising, which means over 4,000 shops and sites will now donate to us for FREE every time you use #easyfundraising to shop with them.**

**<https://www.easyfundraising.org.uk/raisemore/fundraising-tools/add-to-website>.**

**These donations will help so much, so please sign up to support us– it's completely free and doesn't take long!**
